

We source the best local produce available to ensure that you have a delicious breakfast and sample some Highland specialities.

Help yourself to selections from our Breakfast Table which includes freshly squeezed juices, homemade granola and muesli, home-baked breakfast muffins, Ullapool Bakery breads and local preserves from Heather McLean

We also have a range of hot dishes that are cooked to order.

Here you are able to sample local sausage, haggis and the famous Stornoway Black Pudding, local smoked haddock or Ullapool Smokehouse smoked salmon

We insist on free-range eggs and use organic cereals where possible

We strive to provide the best possible breakfast for our guests and do hope that it sets you up for a great day exploring the Highlands

If you have any questions or comments please ask your breakfast waiter who will be pleased to assist you
